for good

THE WEEKLY LIFE CYCLES

JUNE 4 - 10, 2018

Remember our Stuff-it-Challenge Project last year? We know many of you still continued stuffing your bottles with non-biodegradable materials. You may send all your stuffed bottles to the 29/F Insular Foundation Area. Kindly segregate them according to their sizes before turning over to us. Contact **Chelle Tingzon** at **ext. 2206** for more info. Let us aim for a healthy environment!
